

Innovative Solutions to Global Challenges

2016 EU Research & Innovation Day

2016 EU 연구혁신의 날

October 4, 2016
Grand Ballroom
Grand Hyatt Seoul

On October 4, the 2016 EU Research & Innovation Day will take place at the Grand Hyatt Hotel, Seoul, Republic of Korea, co-organised by the Delegation of the European Union to the Republic of Korea and the European Chamber of Commerce in Korea. The EU Research & Innovation Day aims at introducing up-to-date R&I policies of the EU and European countries, promoting European excellence of science, technology and industry to Korea and expanding networks between participants. Based on the extensive information exchange throughout the event, the EU and Korea will establish more stable and stronger cooperation as research and innovation partners.
