Accommodations

In cooperation with the service partner HRS, the Conference Organizers offers hotel rooms at favorable rates in Dresden for conference delegates. Participants requiring accommodation during their stay in Dresden can choose between different hotel categories; the hotels are listed according to their distance from the conference venue ICCD.

Accommodation can be booked directly through the HRS online reservation platform which is available at the following link:

[Click here for hotel reservation](#)

For further questions regarding the hotel reservation or telephone bookings, please contact the HRS Event Online Service Team:

Phone: +49 221 2077 7320

Email: Event-Online@hrs.com

Conference Registration

[Please click here to register](#)

It is recommendable to pay the conference fee per credit card. For further questions, please contact us at info@adeko.or.kr

Scientific and Industrial Tour, November 18th

In line with the topic of our conference we will offer tours to companies and research institutions on this day.

Sightseeing Tours, November 19th

In order to get to know the city and its many sights we will offer half day or whole day tours either as walking or bus tours. Depending on your travel schedule you will be able to take advantage of a variety of tours. (*Keep in mind, the travel package ADeKo offers includes a flight back to South Korea on the evening of November 19th at 6.30pm*)
