

2017 Research & Innovation Day

EU 연구혁신의 날

Innovation for a climate resilient and resource efficient economy

November 23 - 24, 2017
Grand Ballroom, Four Seasons Hotel Seoul

On November 23 - 24, the 2017 EU Research & Innovation Day will take place at the Four Seasons, Seoul, Republic of Korea, co-organised by the Delegation of the European Union to the Republic of Korea and the European Chamber of Commerce in Korea. The EU Research & Innovation Day aims at introducing up-to-date R&I policies of the EU and European countries, promoting European excellence of science, technology and industry to Korea and expanding networks between participants. Based on the extensive information exchange throughout the event, the EU and Korea will establish more stable and stronger cooperation as research and innovation partners.
