Speaker Profile

Robert is a Partner in Samil PwC's Global Tax Services team where he specializes in providing Korean corporate tax advice to multinational groups operating in Korea. Robert has over 16 years of international tax experience, including 6 years at Samil PwC and 10 years at PwC UK.

Robert regularly helps multinational organisations with transactions including cross border investments, M&A deals, tax due diligence, post deal restructuring, group financing, and profit and cash repatriation.

Robert Browell
Tax Partner
Samil PwC

During his time in Korea, Robert has helped a range of overseas multinational groups understand the Korean tax related issues with investing and doing business in Korea. Robert has assisted foreign invested companies successfully complete local corporate transactions including acquisitions, disposals, mergers and spin-offs and helps multinational groups manage their Korean tax compliance obligations.

Robert is a member of both the British & US Chamber of Commerce and serves on PwC Korea's Inbound Committee.
