Organized by

European
Automobile
Manufacturers
Association

In Cooperation with

Delegation of the European Union
to the Republic of Korea
주한 유럽연합 대표부

Greetings,

The European Chamber of Commerce in Korea (ECCK) would like to invite you all to attend the **Korea-Europe Future Automotive Conference** scheduled for **Tuesday, March 26, 2019** taking place at **Conrad Seoul**.

Korea-Europe Future Automotive Conference will be co-hosted by ECCK and ACEA (European Automobile Manufacturers' Association) to discuss The Future of Clean Mobility with the topics of Challenges and Opportunities of **Electric Vehicles** and **Hydrogen Fuel Cell Vehicles**.

It aims to have a constructive discussion regarding the clean mobility with various professionals for which Korea and Europe will be able to seek broader future cooperation.

Registration will be available via the "RSVP Here!" button below or [click here](#).

We hope to see you all at the day's event.
