

# ECCK Live Webinar on Cash Grant – An Alternative to Tax Incentives

## EVENT OUTLINE

Effective from January 1, 2019, most tax incentives concerning corporate and personal income tax for foreign investors have been nullified. To compensate for this change, the Korean government announced to dramatically increase cash grant. This webinar will address various aspects of these cash grants, ranging from companies' eligibility and which documents are required, to the application process itself. We warmly invite anyone interested to take advantage of the available tax grants to join this webinar.
