

Korea-Europe Future Automotive Conference

October 29, 2020

16:00 – 18:00

The Future of Autonomous Driving Vehicles

Challenges and Strategies for Commercialization of Autonomous Driving Vehicles

Organizers

European Automobile Manufacturers Association

In cooperation with

Delegation of the European Union to the Republic of Korea
주한 유럽연합 대표부

Greetings,

The European Chamber of Commerce in Korea (ECCK) would like to invite you all to the [Korea-Europe Future Automotive Conference 2020](#) scheduled for **Thursday, October 29**.

[Korea-Europe Future Automotive Conference 2020](#) will be co-hosted by ECCK and ACEA (European Automobile Manufacturers' Association) to discuss the [Future of Autonomous Driving Vehicles](#) with a topic of [Challenges and Strategies for the Commercialization](#) in future.

It aims to have a constructive discussion regarding the commercialization of autonomous driving vehicles with various professionals for which Korea and Europe will be able to seek broader future cooperation.

Registration will be available via the 'REGISTRATION' button below.

We hope to see you all at the event.

Date	Thursday, October 29, 2020
Time	16:00 – 18:00 (Seoul Time)
Venue	Online through Zoom
