

ECCK Future Development Forum

EVENT DETAILS

The ECCK is happy to announce the launch of the “Future Development Forum”. The mission of the Forum is to provide young professionals a platform to get connected across industries and to learn more about cross-industry trends but also people development.

Naturally, those trends shaping the future will be often – although not always – based on digitalization and innovation.

The “Future Development Forum” is open to young professionals (25 to 40 years of age) from ECCK member companies and will run on a quarterly basis. Christian Baudisch, Head of Performance Management & Operational Excellence at DB Schenker will act as the Chairperson.
