

Star-Network Night

"Tour de Lillet"

The ECCK in partnership with the Cercle des Entrepreneurs Francophones en Corée (CEFC) and the Swedish Chamber of Commerce in Korea (SCCK) supported by Lillet is pleased to offer its first "Star-Network Night". It is a star network night as we will host the network night simultaneously at 4 different locations. The locations will be virtually connected for the main theme of the evening, namely the "Tour de Lillet" in which Florent Leroi, Marketing Director of Pernod Ricard will enlighten us about Lillet and introduce us to the unknown secrets of this fabulous drink. The locations are carefully selected European restaurants known for their authentic menus.
