

# ECCK CFO Forum

## Recent Update in Korea Tax Laws including General Taxes, TP and Customs in the COVID-19 era in 2020

Tuesday, Nov 24, 2020, 18:00 (\*Registration starts from 17:45)  
Mercedes Benz Korea, Seoul Square (9F)

### Event Outline

In partnership with KPMG, we are pleased to invite you to the ECCK CFO Forum focusing on recent updates with regards to general tax, TP, and Customs matters in Korea. The session will cover recent legislative changes regarding BEPS, and how companies in Korea have to manage their TP matters from both tax and customs purposes as COVID-19 pandemic has recently had a huge impact on Korean economy.

A dedicated team of experts from General Tax, TP, and Customs of KPMG will lead the discussion and provide guidance on how companies should deal with the new environment.

## Speaker Profile

**Tai-Joon Kim**  
Tax Partner  
Transfer Pricing

## Background & Professional Experiences

Tai-Joon Kim is a transfer pricing partner of the Global Transfer Pricing Services at KPMG Korea. He specializes in assisting multinational companies with a broad spectrum of transfer pricing matters, including BEPS documentation, transfer pricing planning, transfer pricing risk analysis, tax audit defense, valuation of intangible properties, and APA/MAP.

Tai-Joon has over 16 years of experience providing professional transfer pricing assistance to foreign-invested firms and multinational corporations in a wide range of industries, including automotive, auto parts, electronics, oil, confectionery, semi-conductor, chemical, textile, heavy, pharmaceutical, shoe, and financial industries. With his in-depth knowledge and respectable experience in transfer pricing management, one of Tai-Joon's key strengths is the ability to provide critical guidance to clients and address complex transfer pricing issues that multinational corporations come across during business operation.

Prior to joining KPMG Korea, Tai-Joon worked with PwC and Deloitte Korea as a transfer pricing specialist serving numerous multinational corporations.
