

ECCK Live Webinar on Korea Matters for Europe /Europe Matters for Korea

EVENT OUTLINE

Korea Matters for Europe / Europe Matters for Korea maps out the relationship between the EU and its 27 member states with the Republic of Korea on the tenth anniversary of the bilateral EU-ROK Strategic Partnership, Framework Agreement and Free Trade Agreement. The report covers the evolution of trade, investment, travel and tourism, educational exchange, culture and studies, and population relations, as well as the DPRK in the context of bilateral relations. The report provides a large amount of data for policy-makers, businesspeople, journalists, researchers, and other interested groups to better understand the evolution of the relationship between Europe and the ROK. This event will serve to present the report, analyse its key findings, and discuss the most relevant trends with the audience.
