THE 39th YONGPYONG INTERNATIONAL SKI FESTIVAL

February
19th(Fri)-21st(Sun)
2021

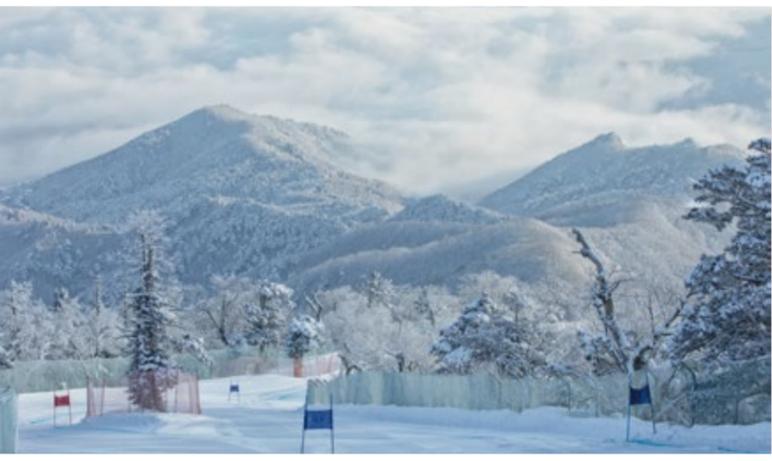

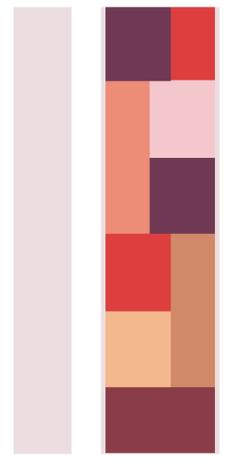

Endless Friendship

The YongPyong international Ski Festival is a winter sports event for foreigners living in Korea. This event was first held in 1983 for the development of the domestic ski culture as well as promoting good fellowship amongst foreign residents stationed in Korea.

The festival takes pride in being the nation's only international ski festival, with approximately 300 participants from 25 different countries taking part each year. The ski competitions include alpine skiing and snowboarding. Numerous other attractions are also there to see and enjoy. The festival gala party, held in the evening, includes a medal presentation ceremony, a national table decoration competition, and various other cultural events.

Our slogan 'Endless Friendship' is based upon our 39 year history, promoting greater fellowship by bringing families of all nationalities together to enjoy a weekend of festivities. YongPyong Ski Resort will continue to be a place where children and adults can come together and build everlasting friendships. Needless to say we may have to change this year's arrangement in light of the pandemic, but we keep fingers crossed that we can go on as planned.
