

# ECCK Live Webinar on Sustainable Operations

## EVENT OUTLINE

Sustainability is a key priority for the EU, Korea and governments around the world, reflected in the launch of the European Green Deal as well as the Green New Deal in Korea. In light of the importance of sustainability, ECCK has set out to address various aspects of sustainability throughout its activities. This webinar will feature insights on various initiatives undertaken to decrease industry and individual's environmental footprint in often new ways and may serve as an inspiration for participants.
