

ECCK Live Webinar on Mayoral Elections

EVENT OUTLINE

On April 7 2021, Seoul and Busan will be hosting mayoral by-elections that will significantly impact the Korean domestic political landscape. In order to inform its members of the outcome of the election and the possible implications of such, ECCK organized this webinar. The expert speakers will provide an in-depth analysis of these elections, looking at turnouts and voting behaviour, and will further discuss the elections' domestic implications, their potential impact on the administration of both cities and the international business community more generally.
