

ECCK CFO Forum on Recent Issues in Korean Labor & Employment Law - 2021

EVENT OUTLINE

In partnership with Kim & Chang, we are pleased to invite you to the ECCK CFO Forum focusing on recent trends and compliance issues in Korean labor and employment law. During the session, we will provide attendees with an overview of the key labor and employment law compliance issues that Kim & Chang's clients have faced during recent labor audits by the Ministry of Labor and Employment ("MOEL"). The MOEL has announced its plan to resume labor audits in 2021 amidst the ongoing pandemic as businesses are slowly recovering from the COVID-19 crisis. This session will also cover enforcement of the 52-hour workweek and recent cases, as well as recent updates of the Korean labor laws including workplace harassment and the Serious Accidents Punishment Act.

A dedicated team of experts from the Labor and Employment Practice Group of Kim & Chang will lead the discussion and provide guidance on how companies should deal with the above issues.
