

# ECCK Tax Forum: Update on Tax Amendments 2021 – Tax, transfer pricing and customs

## EVENT OUTLINE

In partnership with KPMG, we are pleased to invite you to the ECCK Tax Forum focusing on recent updates with regard to general tax, TP, and Customs matters in Korea. The session will cover recent BEPS developments especially in relation to the two pillars which may have an impact on the tax legislation going forward, how the BEPS action plans and the recent amendments to the tax legislation are affecting companies in practice, and provide an overview on customs verification audits and practical implications to consider.

A dedicated team of experts from general tax, TP, and Customs of KPMG will lead the discussion and provide further updates and observations since the 2021 Tax Amendments.

## SPEAKER

**Tai-Joon Kim**  
Tax partner  
Transfer Pricing  
KPMG Korea

Tai-Joon Kim is a transfer pricing partner of the Global Transfer Pricing Services at KPMG Korea. He specializes in assisting multinational companies with a broad spectrum of transfer pricing matters, including BEPS documentation, transfer pricing planning, transfer pricing risk analysis, tax audit defense, valuation of intangible properties, and APA/MAP.

Tai-Joon has over 16 years of experience providing professional transfer pricing assistance to foreign-invested firms and multinational corporations in a wide range of industries, including automotive, auto parts, electronics, oil, confectionery, semi-conductor, chemical, textile, heavy, pharmaceutical, shoe, and financial industries. With his in-depth knowledge and respectable experience in transfer pricing management, one of Tai-Joon's key strengths is the ability to provide critical guidance to clients and address complex transfer pricing issues that multinational corporations come across during business operation.

Prior to joining KPMG Korea, Tai-Joon worked with PwC and Deloitte Korea as a transfer pricing specialist serving numerous multinational corporations.

### Education and Qualifications

- B.A. in English Literature and Language, Korea University / M.A. in International Management, Graduate School of International Studies, Korea University

**Tae-Joo Kim**  
Tax Partner  
Trade & Customs  
KPMG Korea

Tae Joo is a partner of trade and customs service in KPMG Korea and has over 15 years of experience in the trade and customs field. He has extensive experience in the area of customs audit defense, customs valuation, tax efficient cross-border structuring, tax saving plans including FTA and duty drawback services for various multinational and domestic companies. Experienced industries includes luxury brands, apparel, households, food & beverage, pharmaceutical, surgical, automotive, electronics, and machinery.

Prior to joining KPMG Korea, Tae-Joo worked with Deloitte's Trade and Customs team for 8 years and also gained industry experience for 3 years as a procurement manager at Hyundai Mobis' overseas sales division. Currently, he is a member of the Customs Valuation and Classification Committee of the Korea Customs Service and is also a guest speaker at various customs seminars & training courses hosted by the Korea Customs Service.

### Education and Qualifications

- Bachelor's Degree - Korea University
