

ECCK Busan Information Session: How to develop a future-proof Talent Management strategy

EVENT OUTLINE

In this session RDI Worldwide expert HR consultants will share the current status facing increasing challenges in talent acquisition and retention, and how organisations are talking about a total talent approach: taking into account candidate expectations, talent mobility, new approaches to attract talent via social media and how to stay competitive in the labour market.

RDI is working with multinationals in Korea to help them attract, retain and develop talent across all industries, there will discussions on the following key topics:

- The Total Candidate/Employee Experience, why it matters
- How social media is changing the recruitment process
- Why proactive recruitment is a competitive advantage
- What are the trends and focus of reward and compensation in 2023?
