

ECCK Live Webinar on "The 2022 OECD Economic Survey of Korea: A snapshot of the Korean economy and long-term challenges"

EVENT OUTLINE

OECD's periodic reports on member countries survey the major challenges faced by the country, evaluates the short-term outlook, and makes specific policy recommendations. This year's edition will be launched the 19th September in Sejong. The OECD's Korea team, hosted by ECCK, will give an exclusive and timely presentation of the main findings of the report. Topics covered are short-term macroeconomic developments, climate- and energy policies, labour- and product-market dualities, gaps in the social safety net and youth employment.
