SPEAKER PROFILE

Hanna Yi
TP specialist
Shin & Kim LLC

Hanna Yi is a Korean Certified Tax Consultant at Shin & Kim LLC, primarily practicing in the areas of transfer pricing for global multinational corporations and Korean conglomerates. Her main engagements include tax audit defense, mock tax audit to reduce transfer pricing risks, establishment of transfer pricing policies, assistance of Advanced Pricing Agreement (APA) / Mutual Agreement Procedure (MPA) and tax appeals.

She started her career as a TP specialist in Ernst & Young, and she built most of her TP career at Deloitte. She gained in-depth experiences in transfer pricing and tax controversy at Deloitte working as a TP partner. Hanna recently joined Shin & Kim in early 2023 to lead TP practice. Hanna has published number of papers on transfer pricing, and she is a Ph.D. candidate on Taxation from University of Seoul.

Jung Moon Jang
TP specialist
Shin & Kim LLC

Jung Moon Jang is a transfer pricing specialist at Shin & Kim LLC. Her expertise lies in transfer pricing for in-bound and out-bound companies. She has in-depth experiences in tax audit defense, TP compliance and APA/MAPs, TP mock audit, and establishing transfer pricing policies for multinational groups.

Jung Moon, a graduate of Carnegie Mellon University, began her career at Deloitte in 2013 and has been practicing transfer pricing ever since. Jung Moon recently joined Shin & Kim in March, 2023 to continue her career as a TP specialist but also to broaden her horizon to field of international taxation.
