

ABOUT US

The European Chamber of Commerce in Korea (ECCK) is a distinguished association of European companies operating in or related to Korea. With the authorization from the Ministry of Trade, Industry, and Energy (MOTIE), the ECCK was officially founded as a non-profit organization on December 3, 2012.

Established with the blessings of the Delegation the European Union to the Republic of Korea and the European business community in Korea, the ECCK's primary objective is to provide our members with information, communication, and access pertaining to the business and regulatory environment of Korea. While European companies form the largest membership base of the organization, we welcome companies of all nationalities to join and to share our membership benefits.

VISION & MISSION

The ECCK is committed to advancing the interests of companies from the European Union (EU), the European Free Trade Association (EFTA) member states and the UK operating in Korea. Furthermore, it cooperates with organizations that share mutual interests to promote the overall business community. To achieve these objectives, the ECCK focuses on:

- Ensuring a fair and open business environment by facilitating dialogue with the government.
- Collecting and disseminating information on business as well as economic and regulatory developments in Korea and Europe.
- Creating networking opportunities for its members.
- Contributing to the Korean society by supporting corporate social responsibility activities and promoting good corporate governance practices.

OUR SERVICES

COMMITTEES & FORUMS

Committees and Forums are the centrepieces of ECCK activities. Comprised of participating member companies, Committees and Forums assist members to keep informed of regulations, improve market intelligence, and express positions on specific trade issues. Committees address industry-specific issues to Korean government counterparts. Meanwhile, Forums focus primarily on cross-industry topics, such as human resources, and are open to all members free of charge.

EVENTS

The ECCK organizes conferences and seminars of industrial relevance for knowledge sharing. In particular, we are actively engaged in dialogues with government agencies to represent the European industries' concerns and issues. Furthermore, formal and informal networking events are hosted to encourage information exchange and business relationships. Finally, the ECCK functions as the first point of contact for European executives and officials coming to Korea.

PUBLICATIONS

As a platform of communication, the ECCK circulates regular publications to inform our members of the current market situation, key regulatory issues, and notable social trends in Korea. In addition, we conduct surveys on the Korea business climate and interviews with industry experts. Major publications include:

- ECCK White Paper
- ECCK Membership Directory
- ECCK Connect Magazine
- Business Confidence Survey
- Weekly Newsletter

ECCK COMMITTEES

Committees are ECCK's Advocacy Platforms and the centerpieces of ECCK's activities. Comprised of participating member companies, Committees are focused on discussing industry wide trade issues with Korean counterparts.
